

MEDIA EXPERT • BRAND STRATEGIST • SOUL SEER

ENGAGING + EMPOWERING

Lee's dynamic and humorous style is met with her ability to teach your audience about branding and the power of establishing an authentic and effective online presence. Your participants will walk away with clear actions steps to take immediately in their own authentic brand journey, gain clarity and an exciting vision of what's possible for them in their life and business, and lasting inspiration to take action and make that impact they dream of.

TOPICS

Adaptable to keynotes, workshops, break out sessions, and webinars

- Creating Genuine Connection in a Digital World
- The Power of Visual Storytelling with Images
- LIVE Streaming for High Impact Marketing

Lee Aldridge is a highly sought-after speaker, brand strategist and educator. With her creative eye, art direction and keen intuition, Lee is the life force behind making brands stand out.

Lee shares not only insights your audience wants to know, but simple ways to put the wheels in motion to make their own impactful brand.

Lee makes sense of websites, branding, and media in a fun, entertaining manner. Your audience will laugh, ponder and yes, understand once and for all -- the amazing gift that a brand journey has in store for them in their business and in their life.

"Lee Aldridge is an engaging, passionate speaker with a treasure trove of branding strategies to inspire and empower your audience. She radiates a clear confidence gained from her years of experience speaking and teaching. Lee has a unique ability to effectively communicate usable information on branding and how to leverage it in your business."
